BOATLOADS OF FUN

On Saturday, July 9, 2016, almost 1000 people are expected to return to the beautiful beach at Portage Lakes State Park for the 4th Annual **Dragons on the Lake Dragon Boat Festival**. Community, corporate, family and friend teams of 20 paddlers, a drummer, and steersperson will be racing in 46' foot authentic Hong Kong dragon boats. All will be participating in a day of community, camaraderie and competition to support the Dragon Dream Team, Ohio's first all breast cancer survivor dragon boat team.

BOATLOADS OF HOPE

The Dragon Dream Team is a unique support group that gives a new face and meaning to breast cancer survivor. Members are women of all ages and backgrounds, from newly diagnosed to long time survivors. When the group came together in 2007 they discovered that a pink dragon boat, the camaraderie of sister survivors, and a 2000 year old paddling sport could be the key to finding wellness and active life after breast cancer.

Paddling is the fun part. Sharing a message of hope and encouragement is the *important part*. Through the Team's **Boatloads of Hope** outreach program, now in 12 hospitals and cancer centers throughout northeast Ohio, hundreds of newly diagnosed

survivors receive a special gift and personalized message of hope and support from the Dragon Dream Team.
